📖 Ag Words & Whatcom Farms: Vocabulary Picture Cards (Level 2)

Name: _____

Cut on the dashed lines. Use the cards to match, sort, or quiz a partner.

Agriculture

The science and practice of growing crops and raising animals for food, fiber, and other products.

Crop

A plant grown on a farm to eat, sell, or feed animals.

Livestock

Animals raised for food, fiber, or work, like cows, pigs, sheep, and goats.

Agribusiness

A business in agriculture: farming, processing, or selling (feed store, nursery, vet).

Organic

Farming without synthetic pesticides or fertilizers, using natural methods.

Topsoil

The top layer of soil where most plant roots grow.

Fertilizer

Something added to soil to help plants grow (manure and compost are natural kinds).

Pollinate

Moving pollen between flowers so they can make fruit. Bees do most of it.

Raspberry

Whatcom County grows most of Washington's red raspberries.

Export

Sending products to sell in another country. Import = buying from another country.
