👩‍🏫 Staff Guide · Ag Literacy Poster (Level 1)

Ag Science 1 · Unit 3 · goes with the class “Agriculture Literacy Poster Project” (30 pts). Level 1 = about 2nd-grade reading. Same activity, same day, same points as the class.

1. The pieces

- **Project card**: Ag Literacy Contest: a poster that promotes agriculture and busts a myth (PosterMyWall, 8.5 × 11). 6 steps, one per box. **check with Mr. Torretta**: this year's PosterMyWall project name for your class (ask in class; it is not posted here)
- **Prep sheet**: jobs, tools checklist, safety. Do it the day before or at the start.
- **Slides**: jobs, safety, steps, 2 checks.
- **Reflection**: replaces the written parts.
- **Game**: on the class site.

2. Prompts while they work

- “Which topic do you like?”
- “Is that fact true? Where did it come from?”
- “Can you read it from the door?”

3. Modifications

- 2 facts instead of 3, given from a staff-made fact list
- Pick a template; staff types what the student says
- Name + title + picture + 2 facts = complete

4. What to grade (30 pts)

- Same 30 points for the modified poster
- Pointing, saying, or circling counts as a full answer.
- Modified grading only as the IEP allows. Check with the case manager.

5. Ask

- Mr. Driver, Room 113 (SLE).
