Get ready

Jobs

Planner

Picks the topic and writes the goal.

Worker

Does the hands-on work and logs it.

Photographer

Takes a photo every work day.

Presenter

Shares the slides (live or recorded).

Safety

Be Safe

🙋 Ask an adult before using tools, animals, or the stove for your project.

🧤 Wash hands after touching animals, soil, or plants.

🖼️ Use pictures you took, or write where each picture came from.

👂 When others present, listen and write 2 things you learned.

Steps

Steps 1 of 2

1. 💡 Write **3 ideas** for an ag project.
2. 🎯 Pick **1 topic** and write a clear **goal**. Get parent/guardian approval.
3. 🛠️ Do the hands-on work. Log **every** work day.
4. 🖥️ Make the **first slides** (title, goal, memorable fact).

Steps

Steps 2 of 2

1. 📈 Progress check: show your log and slides to your teacher.
2. 🖥️ Finish **6–8 slides**, each with an image and its source.
3. 🗣️ **Practice** your talk (2–3 minutes).
4. 🎤 **Present** live or play your recording. Answer 1–2 questions.

🃏 Check 1 of 2

What must every slide have?

Hold up 1, 2, or 3:

1️⃣ An image and its source

2️⃣ A video

3️⃣ Ten sentences

✅ Answer · Card 1 of 2

An image and its source

His rubric requires an image on each slide, with the source.

🃏 Check 2 of 2

What goes in a work-log entry?

Hold up 1, 2, or 3:

1️⃣ Only your name

2️⃣ Your grade

3️⃣ Date, work, minutes, photo

✅ Answer · Card 2 of 2

Date, work, minutes, photo

The log proves the work you did.

Wrap-Up

Clean Up + Reflect

- 📒 Update your work log
- 📸 Save photos to your slides folder
- 🖥️ Save and share your slides
- 📝 Fill in the reflection
