Ag Experience Project

TODAY'S PLAN

- 🛠️ What the project is
- 💡 Topic + goal
- 📒 Work log
- 🖥️ Slides
- 🎤 Presenting

Words to Know

Words to Know

Ag Experience

A hands-on work or research project about agriculture that you plan and do.

SAE

Supervised Agricultural Experience: the FFA name for a hands-on ag project.

Topic

The subject of your project, like raising chickens or growing tomatoes.

Goal

What you plan to learn, make, or teach. Example: “Learn the process of…”

Words to Know

More Words to Know

📒 **Work log**: A record of each day you work: date, what you did, minutes, and a photo.

📸 **Image**: Every slide needs a picture. Write where the picture came from (the source).

🖥️ **Slide**: One page of a PowerPoint or Google Slides presentation.

🎤 **Present**: Share your project with the class. You may record it ahead of time.

Learn

What Is an Ag Experience?

🛠️ A **hands-on** work or research project about agriculture.

💵 **No purchase** is needed.

📅 It can be something you did in the last year.

Learn

Topic Ideas

Raise animals

chickens, rabbits, a calf

Grow plants

garden, flowers, hydroponics

Food science

make cheese, jam, or bread

Ag mechanics

fix or build farm tools

🃏 Check 1 of 4

Which one is an Ag Experience topic?

Hold up 1, 2, or 3:

1️⃣ Playing a video game

2️⃣ Growing tomatoes in a garden

3️⃣ Watching a movie

✅ Answer · Card 1 of 4

Growing tomatoes in a garden

It must be hands-on and about agriculture.

Learn

Topic and Goal

📝 Submit **3 ideas**, then pick **1 topic**.

👨‍👩‍👧 Your parent or guardian **approves** the topic.

🎯 Goal starters: “Learn the process of…”, “Teach the class how to…”, “Design an area for…”

🃏 Check 2 of 4

Which is a clear goal?

Hold up 1, 2, or 3:

1️⃣ Do ag stuff

2️⃣ Have fun

3️⃣ Learn the process of making cheese

Learn the process of making cheese

A clear goal says exactly what you will learn or do.

Learn

Keep a Work Log

📅 **Date** · 🛠️ **What I did** · ⏱️ **Minutes**

📸 Take a **photo** each time you work.

🧾 This is like the AET record and the Ag Exp. Journal.

Learn

Build Your Slides

🖥️ Class: 10 slides. Modified: **6 to 8** slides.

📸 **Every slide** has an image. Write the source.

✍️ Short sentences. Big font. Not too much text.

Steps

Slide Plan

1. Title + your name
2. The goal of your project
3. Something memorable about your topic
4. What you did (2–3 slides with photos)
5. Did you meet your goal?
6. Thank you + questions?

🃏 Check 3 of 4

What must every slide have?

Hold up 1, 2, or 3:

1️⃣ An image with its source

2️⃣ A video

3️⃣ A joke

✅ Answer · Card 3 of 4

An image with its source

His rubric: each slide must include an image (cite the source).

Learn

Present

🎤 Class: 4–5 minutes. Modified: **2–3 minutes**.

📹 You may **pre-record** using your slides.

🙋 Be ready for 1 or 2 questions.

Learn

How It Is Graded

⏱️ **Duration** (how long you talk)

🎨 **Organization & design** (neat, few errors)

🎯 **Explanation** (goal and plan)

📈 **Progress** (what you did, did you reach the goal?)

🃏 Check 4 of 4

Which part of the rubric asks if you reached your goal?

Hold up 1, 2, or 3:

1️⃣ Duration

2️⃣ Design

3️⃣ Progress

✅ Answer · Card 4 of 4

Progress

Progress = what you did and whether you met your goal.

Wrap-Up

Recap

Topic + goal

3 ideas → 1 topic → parent OK

Work log

date, work, minutes, photo

Slides

image on every slide

Present

live or recorded

Wrap-Up

Exit Ticket

1️⃣ My topic is _____.

2️⃣ My goal starts with “Learn the process of…” or “Teach…”

3️⃣ What goes in a work-log entry?
