👩🏾‍🏫 Staff Guide · Biology Chat Stations (Level 1)

Biology A · Unit 0 · goes with the class “Biology Chat activity” (5 pts). Level 1 = about 2nd-grade reading. Same activity, same day, same points as the class.

1. The pieces

- **Station card**: Biology Chat lab stations: 9 short stations (animal or not, graph, microscope photos, plant compare, measuring tools, lab safety features, classify, metric hunt, word parts). 4 steps, one per box. **check with Ms. Dunham**: Stations 3 and 8 use her station photos and objects; we skipped them
- **Prep sheet**: jobs, tools checklist, safety. Do it the day before or at the start.
- **Slides**: jobs, safety, steps, 2 checks.
- **Reflection**: replaces the written parts.
- **Game**: on the class site.

2. Prompts while they work

- “Point to the tool that shows hot or cold.”
- “Is it alive? Does it eat? Does it move?”

3. Modifications

- 4 stations, picture circles
- Pair with a peer; pointing counts

4. What to grade (5 pts)

- Same 5 points: 4 stations circled
- Pointing, saying, or circling counts as a full answer.
- Modified grading only as the IEP allows. Check with the case manager.
