👩‍🏫 Staff Guide · Food Card Sort (Level 1)

Biology A · Unit 4 · goes with the class “A4 Digestion (Food Cards)” (5 pts). Level 1 = about 2nd-grade reading. Same activity, same day, same points as the class.

1. The pieces

- **Sort card**: A4 Digestion food-card sort, redrawn as our own picture cards (her Food Cards PDF is pictures only). 4 steps, one per box.
- **Prep sheet**: jobs, tools checklist, safety. Do it the day before or at the start.
- **Slides**: jobs, safety, steps, 2 checks.
- **Reflection**: replaces the written parts.
- **Game**: on the class site.

2. Prompts while they work

- “Is this an energy food, a fat, or a muscle-builder?”
- “Point to the carb box.”

3. Modifications

- 10 picture cards, 3 picture boxes
- No building-block words needed

4. What to grade (5 pts)

- Same 5 points: cards sorted with help as needed
- Pointing, saying, or circling counts as a full answer.
- Modified grading only as the IEP allows. Check with the case manager.

5. Ask

- Mr. Driver, Room 113 (SLE).

🚧 Under construction (check with Ms. Dunham)

- **This packet**: Her Food Cards PDF is pictures only, so we could not read which foods she uses. These 10 foods are our best match to her A4 reading (starch, sugar, cellulose, protein, fat).
